

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2023/2799
Application type	Conservation Area Notification
Site Address:	Avenue Hall, Avenue Road, Hornsey, London, N6 5DN
Proposal	Permission is requested to prune 5 x Lime trees at Avenue Hall on border with Avenue Road. Permission is requested to prune back to previous pollard points at about 2-3m. No cut larger diameter than 20cm. Length of poles no longer than 3m. Aim to maintain the trees at an appropriate size for the location.

RECOMMENDATION:	No Objection	
Application date	17/10/2023	
Tree Inspector	DM	Date: 13 th November 2023

Site

The five mature Lime *Tilia* spp. trees, as marked on the plan and seen in the photograph, are situated in the front communal grounds of the property. They are publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Crouch End Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

Permission is requested to prune 5 x Lime trees at Avenue Hall on border with Avenue Road.

Permission is requested to prune back to previous pollard points at about 2-3m.

No cut larger diameter than 20cm. Length of poles no longer than 3m.

Aim to maintain the trees at an appropriate size for the location.

Issues

I hold no objections to the proposed repeat reasonable pruning works.

The specification is within good arboricultural practice and husbandry.

The pruning will take back to the most recent previous pruning cuts.

Pollarding is common practice and management regimes on Lime trees.

Limes generally respond well and restore their crowns after a short period of time.

Recommendation

No Objection
