B.Murphy and Co have been asked by Mr Cordenier to supply and fit a new Queen Anne style window/doorframe and a box frame and sashes to the first-floor front of his property.

The new joinery will be manufactured from Red Grandis, which is a certified hardwood from sustainable sources.

The glass specification will be 4mm Planitherm (soft coat) 8mm krypton gas cavity 4mm Float toughened (This will achieve a centre pane u-value of 1.2. Wm/k)

Double glazed units to have a spacer bar inserted between the glass cavities (to prevent a hollow effect) and wooden mould is to be Applied either side to mimic glazing bars duplex glazing bars

The decorative mouldings are for Illustrative purposes and will need to be taken off for an accurate reading.
