

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2023/2426
Application type	Conservation Area Notification
Site Address:	Flat A, 41 Grove Park Road, Tottenham, London, N15 4SL
Proposal	T1. Ash tree. Small. Safely fell to ground level. Reason. pushing neighbours fence/ and most of the crown is on a lean moving away from T2. below. T2. Sycamore tree. Large. Safely raise crown by selectively removing back to the main stem 1st 2 layers of branches only. To allow more light/sun into the ground/garden. Also neighbours side only. Safely cut back by approx 3m to approx boundary/fence line. Remaining crown and height to be left untouched as is.

RECOMMENDATION:	No Objection	
Application date	11/09/2023	
Tree Inspector	DM	Date: 22 nd November 2023

Site

The trees T1 & T2, as listed above, seen in the photograph and as marked on the plan, are situated in the rear garden of the property. They are not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Tottenham Central Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

T1. Ash tree. Small. Safely fell to ground level. Reason. pushing neighbours fence/ and most of the crown is on a lean moving away from T2. below.

T2. Sycamore tree. Large. Safely raise crown by selectively removing back to the main stem 1st 2 layers of branches only. To allow more light/sun into the ground/garden.

Also neighbours side only. Safely cut back by approx 3m to approx boundary/fence line. Remaining crown and height to be left untouched as is.

Issues

I hold no objections to the proposed works.

T1 Ash is a low grade tree with suppressed growth by being overshadowed by the Sycamore.

The specification for the Sycamore T2 is within good arboricultural practice and husbandry.

Recommendation

No Objection
