2. CONSULTATION RESPONSE

Internal

Tree Officer – I can confirm that I am satisfied with the submitted details in regard to the planting and landscape plans.

Transportation team – I am happy for the Landscaping Condition to be discharged.

Design Officer - I am happy to confirm my contentedness with this one (exceptionally) without seeing the physical samples; I'm confident they are appropriate, good looking and durable.

3. ANALYSIS/ASSESSMENT

Condition 15 (Landscaping) reads:

Prior to the commencement of works to the relevant part of the development, full details of both hard and soft landscape works for the public realm areas, 'Chocolate Yard', vacant space behind Block B, courtyard amenity space of Block E and roof top gardens of Block D and Block E shall be submitted to and approved in writing by the Local Planning Authority and these works shall thereafter be carried out as approved. These details shall include:

- a) Proposed finished levels or contours;
- b) Means of enclosure;
- c) Car parking layouts;
- d) Other vehicle and pedestrian access and circulation areas;
- e) Hard surfacing materials;
- f) Minor artefacts and structures (eg. furniture, play equipment, refuse or other storage units, signs, lighting etc.);
- g) Proposed and existing functional services above and below ground (e.g. drainage power, communications cables, pipelines etc. indicating lines, manholes, supports etc.); and
- h) Measures to mitigate the impacts of wind within the development.

Soft landscape works shall include:

- i) Planting plans;
- j) Written specifications (including written specifications (including cultivation and other operations associated with plant and grass establishment);
- k) Schedules of plants, noting species, plant sizes and proposed numbers/densities where appropriate; and
- l) Implementation and management programmes.

The soft landscaping scheme shall include detailed drawings of:

- m) Those existing trees to be retained;
- n) Those existing trees which will require thinning, pruning, pollarding or lopping as a result of this consent; and
- o) Those new trees and shrubs to be planted together with a schedule of species;
- p) Green/podium roof details including details on substrate depth;
- q) Use of deep green roof substrate rather than Sedum mat roof unless justification is provide; and
- r) Communal planting within courtyard and roof top gardens.

The approved scheme of planting, seeding or turfing comprised in the approved details of landscaping shall be carried out and implemented in strict accordance with the approved details in the first planting and seeding season following the occupation of the building or the completion of development (whichever is sooner). Any trees or plants, either existing or proposed, which, within a period of five years from the completion of the development die, are removed, become damaged or diseased shall be replaced in the next planting season with a similar size and species. The landscaping scheme, once implemented, is to be retained thereafter.

Officers have reviewed the landscaping details, plans and specifications submitted at ground floor and podium level and is satisfied the details is in accordance with the Wood Green Design Guide. Condition 15 can therefore be discharged in relation to Block E2 only.

4. RECOMMENDATION
