

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2023/2916
Application type	Conservation Area Notification
Site Address:	9 Collingwood Avenue, Hornsey, London, N10 3EH
Proposal	T1: Cherry (5.5m): Fell to ground level as excessive pruning to keep it at a size suitable for its location is not beneficial to the tree. Client wishes to fell and replant with a more suitable species.

RECOMMENDATION:	No Objection	
Application date	30/10/2023	
Tree Inspector	DM	Date: 28 th November 2023

Site

The Cherry tree T1, as marked on the plan and seen in the photograph is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Fortis Green Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

T1: Cherry (5.5m): Fell to ground level as excessive pruning to keep it at a size suitable for its location is not beneficial to the tree. Client wishes to fell and replant with a more suitable species.

Issues

I hold no objections to the proposed removal of the cherry tree.

The tree has had poor past pruning carried out in the past to curtail growth in scale with its surroundings, and the tree, when using a methodology to rate its worthiness for a Tree Preservation Order (TPO) values the tree low grade and not worthy of a TPO.

Recommendation

No Objection

Informative: There is a duty under Section 213 of the Town and Country Planning Act 1990 (as amended) to plant replacement trees for the removal of trees, and also dead, dying or dangerous.
