

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2023/2624
Application type	Conservation Area Notification
Site Address:	5 Stormont Road, Hornsey, London, N6 4NS
Proposal	T1 - Pittosporum in corner by house - Choked with wisteria and outgrowing location - Reduce height by approx 4m removing Wisteria where possible and allow too re-grow as a shorted specimen. T2 - Liquid Amber - Choked with Wisteria - Remove Wisteria where possible and reduce height by approx 2m and balance sides by approx 1-2m where required.

RECOMMENDATION:	No Objection	
Application date	29/09/2023	
Tree Inspector	DM	Date: 29 th November 2023

Site

The trees as listed above T1 & T2, as seen in the photograph, and marked on the plan, are situated in the rear garden of the property. They are not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

T1 - Pittosporum in corner by house - Choked with wisteria and outgrowing location - Reduce height by approx 4m removing Wisteria where possible and allow too re-grow as a shorted specimen.

T2 - Liquid Amber - Choked with Wisteria - Remove Wisteria where possible and reduce height by approx 2m and balance sides by approx 1-2m where required.

Issues

I hold no objections to the reasonable proposed pruning works.

The specification is within good arboricultural practice and husbandry.

The Pittosporum is a large example. Along with the growing wisteria within the shrub it is dominating the garden area.

Recommendation

No Objection
