

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2023/2984
Application type	Conservation Area Notification
Site Address:	1-4 Lime Place, Elizabeth Clyde Close, Tottenham, London, N15 4BF
Proposal	Lime x 4 (T1-T4) - Re-pollard back to previous most recent pollard points. The trees have massively outgrown the space. They block all the light to the houses and prevent anything from growing beneath the trees.

RECOMMENDATION:	No Objection	
Application date	06/11/2023	
Tree Inspector	DM	Date: 29 th November 2023

Site

The Lime *Tilia* spp. trees T1- T4, as marked on the plan and seen in the photographs, are situated in the front communal area of the property. They are publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Tottenham Central Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

Lime x 4 (T1-T4) - Re-pollard back to previous most recent pollard points. The trees have massively outgrown the space. They block all the light to the houses and prevent anything from growing beneath the trees.

Issues

I hold no objections to the reasonable repeat proposed pruning works.

I concur that the specification is within good arboricultural practice and husbandry.

Limes generally respond well to pollard reductions when managed under this regime.

Recommendation

No Objection
