Site

The Hornbeam tree T1, as marked on the plan and seen in the photograph, is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Muswell Hill Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

T1 large Hornbeam: removal of one branch as indicated in annotated tree photograph.

Issues

I hold no objections to the proposed pruning works.

The Hornbeam tree as been repeatedly reduced in the past. The removal of the marked branch on the annotated photograph will have no affect on the tree's morphology.

Recommendation

No Objection
