Site & Surroundings

The site is a two storey building located on the corner of Dysons Road to the East and Brantwood Road to the south. The site is bounded by the Redcorn waste disposal operation to the west and other commercial and industrial units to the south on the other side of Brantwood Road. The area to the north of the site along Dysons Road and Middleham Road is residential in nature, primarily comprising 2 storey houses. A public right of way runs east to west along the north of the plot between the commercial plots and the houses of Middleham Road. The site is designated as a Strategic Industrial Location and within Flood Zone 2. The surrounding area is characterised by industrial and commercial uses. The site also lies within the Tottenham Area Action Plan area and is within an Archaeological Priority Area. The site is not located in any conservation area nor is listed building.

APPROVED DEVELOPMENT

HGY/2022/0664 – Demolition of existing buildings on the site and redevelopment of the land to the west of Willoughby Lane / Dysons Road for the erection of modern employment premises to provide flexible employment space across use classes E (light industrial), B2 and B8 (with ancillary offices), car parking, service yard areas, landscaping and associated works.

ANALYSIS/ASSESSMENT

Condition 6a reads:

Prior to the commencement of the development, evidence of site registration at <http://nrmm.london/> to allow continuing details of non-Road Mobile Machinery (NRMM) and plant of net power between 37kW and 560 kW to be uploaded during the demolition/construction phase of the development shall be submitted to and approved by the Local Planning Authority.

Reasons: To protect local air quality and comply with Policy 7.14 of the London Plan and the GLA NRMM LEZ.

Pursuant to condition 6a, the applicant submitted Proof of Site Registration at <http://hrmm.london/> and the pollution officer advises that details submitted are sufficient for the purposes of discharging this condition. Therefore, the details submitted are considered acceptable and in line with the intentions of the condition.

RECOMMENDATION - GRANT DISCHARGE

It is considered that sufficient information has been submitted in support of this application to discharge condition 6a. The recommendation is therefore one of approval to discharge the condition as sought by this planning application.
