

Ground Floor Plan as Existing 1:100

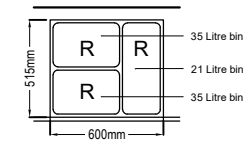

First Floor Plan as Existing 1:100

REFUSE AND RECYCLING TO BE STORED WITHIN APPROPRIATE KITCHEN BINS WITH WEEKLY COLLECTION FROM COMMUNAL BIN STORE.

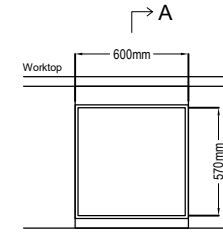

Due to site and building restrictions, it is not possible to accommodate a refuse/recycling store to the ground floor. As such, it is proposed that the flats are provided with appropriate bins within the kitchens and single use container collection is adopted.

RECYCLING - 91L
VAUTH-SAGEL VS ENVI SPACE 91L
XX PRO D 600-3
Included are 2 x 35L buckets and 1 x 21L bucket
