Informatives:

The applicant is advised that bins must not be presented for collection on the highway overnight and must be accessible to the crews on the allocated collection day. If the building user want to arrange collections and order containers for the commercial service from Haringey Council, they should contact Veolia at <https://www.haringey.veolia.co.uk/commercial-waste> as soon as possible before the facility opens. If other waste collection providers are used they must be registered waste carriers and comply with the waste duty of care code of practice.
