

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2023/3166
Application type	Conservation Area Notification
Site Address:	Flat 1, 9 Winchester Road, Hornsey, London, N6 5HW
Proposal	T1 Christmas tree at front of house. Very large tree in a small front garden. Reduce by 2m height and sides, cut back away from building and crown lift by removing 2 lowest branches. T2 Sycamore back garden reduce by 1m back to previous pruning points: overall canopy.

RECOMMENDATION:	No Objection	
Application date	24/11/2023	
Tree Inspector	DM	Date: 19 th December 2023

Site

The above listed trees T1 & T2, as marked on the plan, and seen in the photograph, are situated in the front and rear garden of the property. The conifer to the front is publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works (18/12/2023 at approximately 12:30pm).

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

T1 Christmas tree at front of house. Very large tree in a small front garden. Reduce by 2m height and sides, cut back away from building and crown lift by removing 2 lowest branches.

T2 Sycamore back garden reduce by 1m back to previous pruning points: overall canopy.

Issues

I hold no objections to the proposed pruning works.

Conifers generally do not require much pruning works due to the lack of branch framework however, T1 is multi stemmed above the break with tight forks.

The tree would benefit with some weight being taken sympathetically from the crown.

Reasonable repeat pruning works to T2 Sycamore is within good arboricultural practice and husbandry.

Sycamores tend to respond well to such reductions.

Recommendation

No Objection
