Site

The Yew tree T1, as marked on the plan and shown in the photograph, is situated in the rear garden of the property. It is publicly visible from Fortis Green Car Park.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Muswell Hill Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

I hold no objections to the reasonable proposed pruning works.

The specification is within good arboricultural practice and husbandry.
