Note

Drawings are general arrangement only - please also refer to all consultants information

Site plan boundary coordinates taken from OS - building location approximated and to be confirmed as required by contractor

Contractor to undertake measured and other surveys as required prior to construction - all dimensions are indicative and are to be confirmed by the contractor on site

This drawing is subject to site survey.
All levels and dimensions should be checked on site and any discrepancies notified to the Architect / Contract Administrator prior to proceeding with the work.
This drawing is to be read in conjunction with all other contract documents, specifications, and all other consultant drawings.
