Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Request for Observations to Adjoining Borough - No objection

Address:
Science Block
Highgate School
North Road
London
N6 4AY

Proposal: Refurbishment and extension of existing Science Block, to include: 1) Four storey plus basement extension to east wing to provide new entrance and improved circulation, lift and ancillary accommodation; 2) Three storey extension including ground level colonnade to central building; 3) Creation of additional plant space at roof level of the Link Block, with extension of dormer and installation of louvres; 4) Complete replacement of building systems/plant; 5) Rooftop observatory extension; 6) Replacement windows and restoration of existing facades; and 7) associated landscaping.

The Council, as a neighbouring planning authority, has considered your request for observations on the application referred to above and hereby raises no objection.

Informative(s):

1 Reason for no objection:

The borough boundary runs along Hampstead Lane. The application site to which the development relates is approximately 60 m from the borough boundary.

Most of the works relate to the science bocks facing east and, as such, the proposals would not be visible from within parts of the Highgate Conservation Area, which is within the London borough of Camden. As such, there is no objection related to the impact on the conservation area.

There are no residential properties in Camden within the vicinity of the site, which could adversely impact the amenity.

Camden raises no objection regarding this application.

Yours faithfully

A handwritten signature in black ink, appearing to read 'DPope', is written over a light grey rectangular background.

Daniel Pope
