Site

The Elder tree T152, as marked on the plan, is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Noel Park Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

Tree on Plan - T152 - Sambucus Nigra (Elder) Fair condition, C1 category rating. Please refer to appended RAOVR tree report for more details.

Proposal - A crown reduction of 1.5 metres to the canopy will enable the works to modular pod extension at the rear of the building. Works to remain in compliance with BS3998.

Issues

I hold no objections to the reasonable proposed minor pruning works.

On paper the specification reads within good arboricultural practice and husbandry.

Elders generally respond well to such reductions.

Recommendation

No Objection
