

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road, N22 7TY

Application number	HGY/2023/2780
Application type	Tree Preservation Order application
Site Address:	Flat 1, South View, 135 Hornsey Lane, Hornsey, London, N6 5NR
Proposal	Works to tree protected by a TPO. T2 Sycamore reduce overall canopy by 2 m to reduce size and allow extra light to from area. Manage size for space. (Please note that the proposed works to T1 London Plane does not require notice or permission, as the tree is not protected by a TPO and is not located within a Conservation Area).

RECOMMENDATION:	No Objection	
Application date	16/10/2023	
Tree Inspector	DM	Date: 5 th January 2024

Site

The trees T1 London Plane and T2 Sycamore, as marked on the plan and seen in the photographs, are situated in the front communal garden of the property. The Sycamore T2 is publicly visible (adjacent to Highway).

A site visit was deemed necessary to determine the appropriateness of the proposed works (02/11/2023 at approximately 1:50pm).

The tree is protected by a Tree Preservation Order (TPO)

Proposal

Tree works proposed.

Works to tree protected by a TPO.

T2 Sycamore reduce overall canopy by 2 m to reduce size and allow extra light to from area. Manage size for space.

(Please note that the proposed works to T1 London Plane does not require notice or permission, as the tree is not protected by a TPO and is not located within a Conservation Area).

Issues

I hold no objections to the proposed pruning works.

The specification for T2 is within good arboricultural practice and husbandry. Sycamores generally respond well to such pruning works.

T1 could be managed as a regular Plane pollard pruning back to the most recent previous. However, there is a large open cavity at the union.

The Plane will still be managed as a pollard however it will be above the break. Plane trees generally respond well to such pruning works, pollarding regimes and the crown will soon restore itself.

Recommendation

No Objection
