

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,

Application number	HGY/2024/0099
Application type	Tree Preservation Order application
Site Address:	67 Grand Avenue, Hornsey, London, N10 3BS
Proposal	Five Day Notice of intent to fell the TPO plum tree in the front garden of 67 Grand Avenue N10 3BS. The tree has moved in the recent storm and we have reason to believe it may fail in the next strong wind. It is leaning towards the house. It's quite hard to capture the evidence in a photo, but one sign is the gap between the tree and the privet hedge below. It has got bigger on one side and smaller on the other.

RECOMMENDATION:	No Objection

Site

The Plum tree, as seen in the photograph, is situated in the front garden of the property. It is publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The tree is protected by a Tree Preservation Order (TPO)

Proposal

Tree works proposed.

Five Day Notice of intent to fell the TPO plum tree in the front garden of 67 Grand Avenue N10 3BS.

The tree has moved in the recent storm and we have reason to believe it may fail in the next strong wind. It is leaning towards the house. It's quite hard to capture the evidence in a photo, but one sign is the gap between the tree and the privet hedge below. It has got bigger on one side and smaller on the other

Issues

I hold no objections to the proposed removal of the Plum Cherry tree under a five day notice.

The tree has been pollarded to the break in the past, and there is an open cavity at the union.

It is quite clear from the photograph that there has been recent movement, towards the footpath and highway (aftermath of Storm Henk), in the root bole with the hedge being leaned into and an increase on the hedge gap.

Recommendation

No Objection

Conditions: Re plant 10-12cm girth *Prunus* spp.
