

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road, N22 7TY

Application number	HGY/2023/3258
Application type	Conservation Area Notification
Site Address:	Highgate Junior School, Bishopswood Road, London N6 4PL
Proposal	Works to trees, as detailed on Tree Survey Report attached, for specimens numbered T4257, T4258, T4261 on the Report. Works to all other trees will be considered under application reference HGY/2023/3260, as those trees are protected by TPOs.

RECOMMENDATION:	No Objection	
Application date	06/12/2023	
Tree Inspector	DM	Date: 17 th January 2024

Site

The various trees as listed in the condition tree survey, marked on the plan, and seen in the photographs below, are situated in the grounds of the school property. Trees T4258 & T461 are publicly visible.

A site visit was deemed necessary to determine the appropriateness of the proposed works (11/01/2024 at approximately 11am).

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

Works to trees, as detailed on Tree Survey Report attached, for specimens numbered T4257, T4258, T4261 on the Report.

Works to all other trees will be considered under application reference HGY/2023/3260, as those trees are protected by TPOs.

Issues

I hold no objections to the proposed pruning works:

T4257 *Paulownia* spp. has been heavily reduced before. The tree has shed a few branches and is within a play area. There is also evidence of *Armellaria* spp. present. The reduction is to curtail growth.

T4258 is standard prune Cherry tree back off structure and allow clearance.

T4261 is a dead/ dying holly with sparse crown and loss of leaves from the tip. Removal will allow understory planting such as shade tolerant *Taxus* spp.

Recommendation

No Objection

Informative: Informative: There is a duty under Section 213 of the Town and Country Planning Act 1990 (as amended) to plant replacement trees for the removal of trees, and also dead, dying or dangerous.
