Site

The Sycamore tree T2 is situated in the private grounds of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Muswell Hill Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

T2 - Sycamore - Encroaching onto roof - Would like to reduce lateral benches to provide 1.5-2m clearance to property

Works are all for H&S or general maintenance purposes.

(All other trees listed on the application form are covered by Tree Preservation Orders, and the proposed works to them will be considered separately under application reference HGY/2023/2561).

Issues

I hold no objections to the proposed pruning works.

The specification is within good arboricultural practice and husbandry.

Recommendation

No Objection
