

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2023/3370
Application type	Conservation Area Notification
Site Address:	Highgate School Sports Field, Bishopswood Road, Hornsey, London.
Proposal	T4255: Ash (16m): Die back in crown. Pollard removing up to 5m of growth to reduce the risk of failure.

RECOMMENDATION:	No Objection	
Application date	20/12/2023	
Tree Inspector	DM	Date: 30 th January 2024

Site

The Ash tree T4255, as marked on the plan and seen in the photograph, is situated in the grounds of the property. It is not publicly visible.

A site visit was deemed necessary to determine the appropriateness of the proposed works (11/01/2024 at approximately 11:15am).

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

T4255: Ash (16m): Die back in crown. Pollard removing up to 5m of growth to reduce the risk of failure.

Issues

I hold no objections to the proposed pruning works.

The Ash is a copse edged tree with non-open crown growth. The tree is a leggy with a kink at the base where it has been previously pollarded.

The reduction will bring the tree under the canopy line and shelter the crown from extreme external forces.

Recommendation

No Objection
