Remember:

As you are making regular Direct Debit payments, this statement is for information purposes only and does not require payment.

Don't forget to send us your meter readings

To ensure your bill is as accurate as possible please submit your meter readings between 20/02/19 and 25/02/19 at www.outfoxthemarket.co.uk

Could you pay less?

Over the next 12 months, we have estimated your annual cost:

£570.07 for your Electricity
£353.39 for your Gas

This is an estimate based on your expected annual energy usage, and your current tariff rates, charges and discounts, including VAT. Actual billings will vary depending on your usage and tariff selection. More information about your current tariff can be found overleaf.

You can visit www.outfoxthemarket.co.uk at any time to see our available tariffs.

Explaining your gas usage

We convert gas units from your meter into kWh to make sure the energy output is priced consistently. We do this using the formula below

Meter units used	75.8
Volume conversion factor	× 1.0
Metric units	75.8
Volume correction	× 1.022640
Calorific value	× 39.000
Convert to kWh	÷ 3.6
Energy Used	839.8 kWh

Total Electricity Charges for period £16.81

Total Gas Charges for period £29.07

B. Total Energy Charges £45.88

Please Note: To avoid estimated statements it is important to provide your monthly meter readings. You can do this from 5-days before your monthly bill date.

Explaining your gas usage

We convert gas units from your meter into kWh to make sure the energy output is priced consistently. We do this using the formula below

Meter units used	19.7
Volume conversion factor	x 1.0
Metric units	19.7
Volume correction	x 1.022640
Calorific value	x 39.600
Convert to kWh	÷ 3.6
Energy Used	221.6 kWh

Total Electricity Charges for period £41.16

Total Gas Charges for period £9.02

B. Total Energy Charges £50.18

Please Note: We have not received an accurate meter reading and your statement has been estimated again. Please provide your meter readings every month to improve the accuracy of your statement.
