

SEWER LAYOUT RELATIVE TO
EXISTING BUILDING - scale 1:200

SEWER LAYOUT RELATIVE TO
PROPOSED BUILDING - scale 1:200

PIPE BRIDGING DETAIL - scale 1:50

Do not scale from this drawing. Use figured dimensions only. Figured dimensions are in millimetres. All levels are in metres. All dimensions and levels shall be verified on site before proceeding with works. Detailed site survey to be carried out to verify positions and level relationships with site features and ordnance survey. Boundaries are indicative only and are to be verified by others. This drawing is to be read in conjunction with other documentation from the architect, design team, main contractor and employer's agent. The architect must be notified of any discrepancies. Where building components are described in the specification as contractor designed, "construction" information relating to those components that are shown on this drawing represents design intent only.
