Site Address:	Cemetery Offices, Tottenham Cemetery, Church Lane, Tottenham, London, N17 7AA
Proposal	T13 London Plane, reduce vertical and lateral growth by 3 M to lessen weight bearing load on leaning tree T14 Sycamore, in poor condition, liable to fail. Fell to as close to ground level as possible (tree is unclimbable) Removal of dead trees T4, T7 and T11

RECOMMENDATION:	No Objection	
Application date	22/01/2024	
Tree Inspector	DM	Date: 14 th February 2024

Site

The various trees as listed above, marked on the plan, and seen in the photographs are situated in the grounds of the cemetery. They are publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Bruce Castle Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

T13 London Plane, reduce vertical and lateral growth by 3 M to lessen weight bearing load on leaning tree

T14 Sycamore, in poor condition, liable to fail. Fell to as close to ground level as possible (tree is unclimbable)

Removal of dead trees T4, T7 and T11

Issues

I hold no objections to the reasonable proposed pruning works.

T13 has been reduced before. The mature Plane tree has a 45 degree lean. The reduction will reduce weight within the crown.

T14 Sycamore is in a poor condition. The dead trees are exempt.

It is strongly advised and prudent to inform the Friends Group prior to carrying out any tree works:

Recommendation

No Objection

Informative: There is a duty under Section 213 of the Town and Country Planning Act 1990 (as amended) to plant replacement trees for the removal of trees, and also dead, dying or dangerous.
