

Picture One – aerial view of the current garden from 11 Wolseley Road (clearly not a hedge).

Picture Two – view from 45 Clifton Road living room window onto the current boundary wall with the garden. The applicant is proposing to build the three storey dwelling directly along the boundary wall, blocking all incoming light.

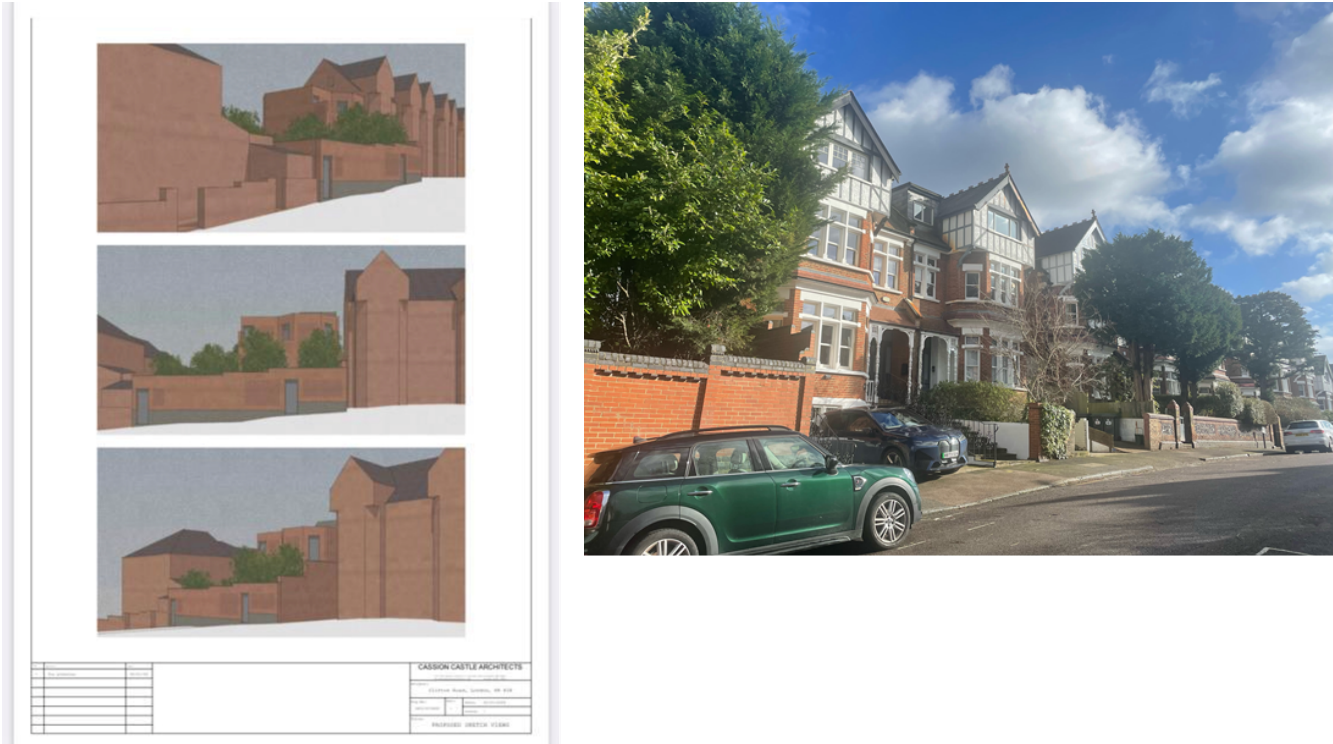

Picture Three – picture showing 45 Clifton Road living room window, c. three feet from the boundary with 13 Wolseley Road garden where the proposed new dwelling will sit, this shows the proximity of the build and blocking of light.

Picture Four – picture showing Flat 11a's bedroom (on the left) bordering the garage at 13 Wolseley Road.

Picture Five – Picture of Clifton Road next to the architect’s impression of the street.

Picture Six – Living room and bedroom windows at 45 Clifton Road which the windows of the new dwelling will look directly into.
