Site

The Contorted Willow tree T1, as marked on the plan and seen in the photograph, is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Alexandra Park Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

T1: Contorted willow (12m): Reduce back overhang to boundary by 3m to prevent encroachment into 62 Grasmere Road and to provide more light.

Issues

I hold no objections to the proposed pruning works to prune back the encroachment to the neighbouring property back to the boundary.

Willows generally reduce well.

Recommendation

No Objection
