| <b>Application date</b> | 31/01/2024          |                                             |
| <b>Tree Inspector</b>   | DM                  | <b>Date:</b> 31 <sup>st</sup> February 2024 |

## **Site**

The Ash trees T1 & T2 are situated in the rear garden of the property. They are publicly visible from Lancaster Road N4.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Stroud Green Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

## **Proposal**

Tree works proposed.

T1 and T2 are Ash trees

Proposed works: Crown reduce by approximately 2 metres on all axis.

## **Issues**

I hold no objections to the reasonable proposed pruning works.

The specification is within good arboricultural practice, husbandry, and standard.

Ash generally reduce well. The reductions will bring the trees into scale with their surroundings.

## **Recommendation**

**No Objection**
