Dear Sabelle Adjagboni

My name is Audy Joseph I live at 7 Rostrevor Avenue; **I have concerns & issue that have to be resolved.** Before any form of building works start, there is a **MAJOR** issue concerning this planning application for 5 Rostrevor Avenue due to the last set of building works that was done at 5 Rostrevor Avenue.

Could someone from your department please get in touch with me, **I TOTALLY OBJECT TO THE PLANNING APPLICATION.**

Mr & Mrs Halpen have been totally ignoring me and the issue, that I have concerns for over seven years. Party wall agreement, keeping their building works within the boundaries lines of 5 Rostrevor Ave and not encroaching and building someone else's property/boundary lines.

Also, I would like to point out that the lantern is actually horizontal and not vertical to what is shown on one of the plans before any new building works begin if you actually came in person and looked at the property.

Kind Regards

Mr AM Joseph
