Metal Bike Shelter - Storage For 2 Bikes

BL3

Twin Bike Shelter - Features

Secure bike locker - storage for 2 bikes**

- Perfect for the side of a house or flat - compact, secure bike storage.
- The Twin Bike Shelter is made from strong, thick, galvanised steel, which means it is rust-resistant. *Please note this unit does not have an integral galvanised steel floor - this product is bolted down directly to the ground (concrete base)
- 99kg in weight (that's over 15 stone) - substantial units suitable for public and private use.
- Made and designed in West Yorkshire with a 10 Year Warranty - our units are built to last.
- Fitted with our tough 3-point locking system - excellent secure cycle storage.
- EN1303-rated pick and drill resistant lock - beat the thieves!

Twin Bike Shelter - Dimensions

**TWIN BIKE LOCKER
