

7.0 Appearance

7.1 Site Wide Elevation Concept

Taking forward the historical and contextual analysis alongside the key design principles the concept for the architectural articulation of the proposed buildings began to form.

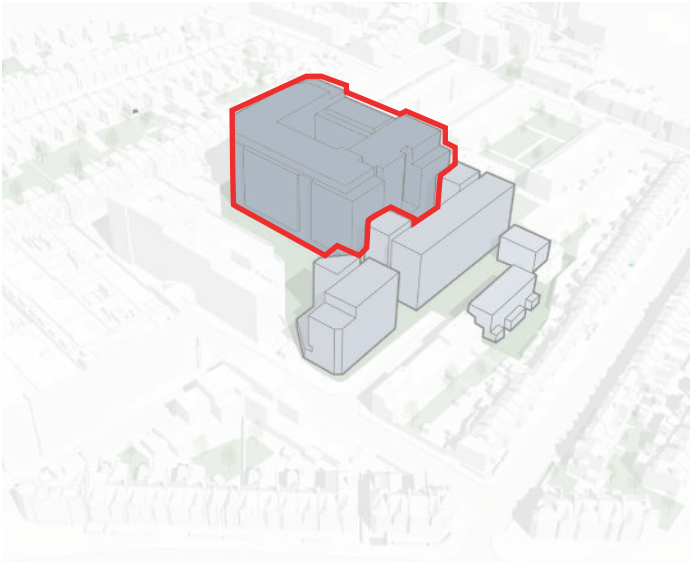

Understanding the sites transitional nature and the diverse and varied architectural qualities, the development looks to harmoniously transition in scale and appearance from Wood Green Town Centre through to Noel Park Conservation Area.

7.2 Building A Contemporary Precedents

Reflecting the surrounding context, contemporary precedents that aligned with similar qualities were analysed and incorporated into the proposals

RHYTHM

Sheepcote Road, Harrow, London

HISTORIC ADAPTATION

High Path, Merton, London

SCALE
