WE ARE

FUSION GROUP

The Fusion Group brand exists to create thoughtful spaces, places and homes that enrich, enhance and inspire whoever lives within them.

Proudly privately-owned, our team of industry experts are dynamic and thrive throughout complexity and challenge. We are dedicated to providing students with the best possible experience in their chosen university cities.

Fusion has a successful track record of designing, delivering and operating over 5,000 beds across 10 high-quality student accommodation schemes with a focus on building strong communities.

Designed for Positive Living.
