

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2024/0302
Application type	Conservation Area Notification
Site Address:	5 Grand Avenue, Hornsey, London, N10 3AY
Proposal	T1: Mature Sycamore: Approximately 18.00m: Reduce back to previous and most recent reduction points, approximately 1.50m-2.00m all round. Thin crown density throughout by approximately 25%. Remove major dead wood. Remove weak epicormic growth.

RECOMMENDATION:	No Objection	
Application date	05/01/2024	
Tree Inspector	DM	Date: 29 th February 2024

Site

The Sycamore tree T1, as marked on the plan and can be seen on Google Streetview is situated in the rear garden of the property. It is publicly visible from Firs Avenue N10.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Muswell Hill Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

T1: Mature Sycamore: Approximately 18.00m: Reduce back to previous and most recent reduction points, approximately 1.50m-2.00m all round. Thin crown density throughout by approximately 25%. Remove major dead wood. Remove weak epicormic growth.

Issues

I hold no objections to the reasonable repeat proposed works to prune back to the most recent previous.

Sycamores generally respond well from such reductions.

Recommendation

No Objection
