

We have already objected online to the above application but wanted to supplement our objections with photographs to demonstrate the overbearing and oppressive nature the proposal will have on us. I attempted to do this online but the photographs don't seem to have downloaded. I trust that they are permitted as part of our comments as they do visually demonstrate our points. I have attempted a mock up of the wall using garden frames and they are accurate to within a few centimetres.

Christopher & Caroline Riches, Flat 1, 87 Priory Road, Hornsey, London N8 8LY.
