

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2024/0348
Application type	Conservation Area Notification
Site Address:	42 Cecil Road, Hornsey, London, N10 2BU
Proposal	T1 - Cherry tree - Fell tree Client has been trying to get the boundary fence redone after it had fallen over due to it being lifted by the tree roots, In order to put up the new fence the roots would have to be cut, The tree sits right next to the fence line so to cut the roots the tree will have to be removed first, The client is planning to replant a row of Cherry Laurels at the rear of the garden to try to regain their privacy after the tree has been removed and to help replace the tree.

RECOMMENDATION:	No Objection	
Application date	12/02/2024	
Tree Inspector	DM	Date: 7 th March 2024

Site

The young Cherry tree is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

T1 - Cherry tree - Fell tree

Client has been trying to get the boundary fence redone after it had fallen over due to it being lifted by the tree roots, In order to put up the new fence the roots would have to be cut, The tree sits right next to the fence line so to cut the roots the tree will have to be removed first, The client is planning to replant a row of Cherry Laurels at the rear of the garden to try to regain their privacy after the tree has been removed and to help replace the tree.

Issues

I hold no objection to the removal of what is mostly like a self-set cherry tree on the boundary line.

The tree is low grade and not worthy of a Tree Preservation Order.

Recommendation

No Objection

Informative: There is a duty under Section 213 of the Town and Country Planning Act 1990 (as amended) to plant replacement trees for the removal of trees, and also dead, dying or dangerous.
