

HERITAGE STATEMENT**COOLHURST LAWN TENNIS & SQUASH RACKETS CLUB****PROJECT : THE INSTALLATION OF LOW LEVEL LED FLOODLIGHTING TO COURT NR 5**

Outdoor tennis court Nr 5 are located within the grounds of Coolhurst Lawn Tennis & Squash Club and is not visible from surrounding public highways.

The tennis courts are only able to be viewed from the rear elevations of surrounding dwellings.

Coolhurst Lawn Tennis & Squash Club is located within the Crouch End Conservation Area Sub Area 7 Hurst Avenue to Avenue Road.

***New LED floodlighting to court Nr 5***

Floodlighting to court Nr 5 is proposed to be erected off low level tubular 6m columns with twelve (12) number 'panel' type fittings with rear deflectors (all RAL 6005) in a side lit arrangement to match the existing arrangement to the adjacent three court Nrs 6 - 8.

As such the new columns and fittings will be positioned to the Western and Eastern side run elevations of an existing synthetic turf tennis court.

CONSULTANCY SERVICES

The low level floodlighting to court Nr 5 will have minimal daylight visual impact on the locality as indicated by the 3D visualisations.

The columns and fittings will be the same type and manufacture as that already installed to the adjacent courts but to a lesser height, smaller size and lower wattage.
