

W1 - Willow tree - Overgrown, reduce on all sides by 3m to allow sun to reach our and neighbour's garden. The neighbour mentioned that our garden is overgrown and that this tree should be trimmed.

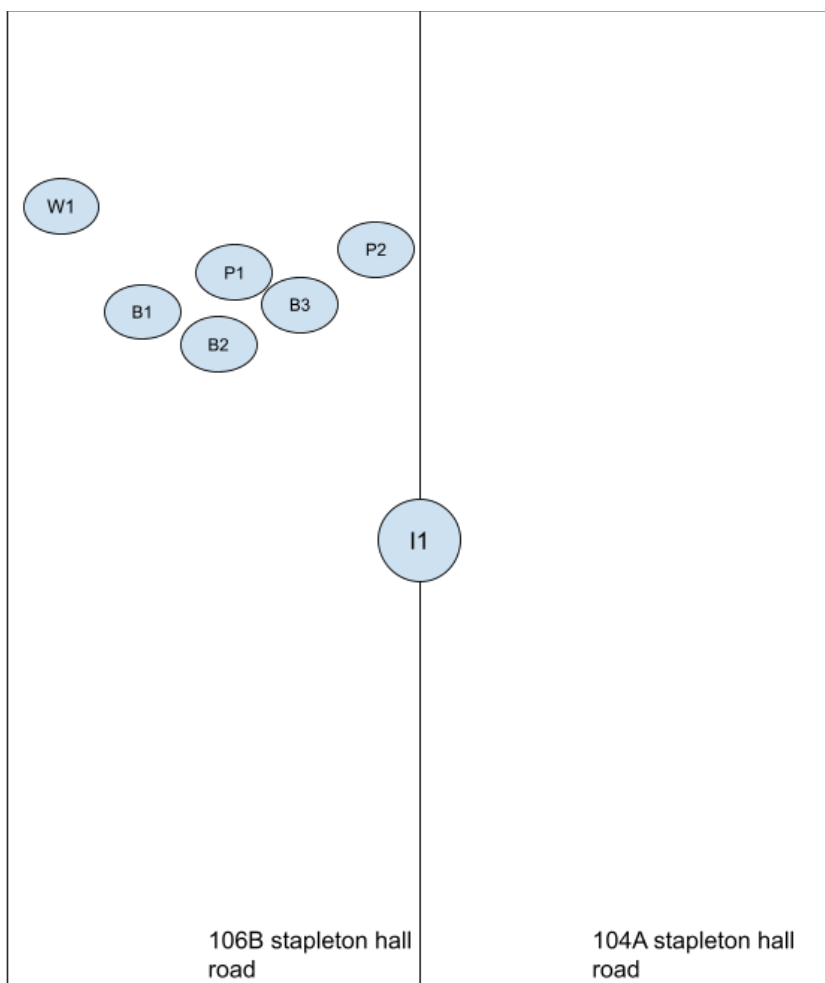

B1, B2, B3 - Cut down birch trees. These trees are blocking sunlight in our and neighbour's garden.

P1, P2 - Cut down palm trees. These trees are blocking sunlight in our garden.

I1 - Ivy tree - Its branches hang on the fence, damage the fence and block all sunlight in the area. Cut overhanging branches.
