Refusal Reasons: (1)

- 1 The proposal would result in an unsympathetic, incongruous and harmful addition which would have a serious and adverse effect on the visual amenity of the locality and would be an intrusive and unneighbourly addition, resulting in an overbearing and dominant development giving rise to an increased sense of enclosure and loss of outlook to the detriment of residential and visual amenities to the occupiers of the adjoining property, contrary to Policy DM1 and DM12 of the Development Management, Development Plan Document, and Policy SP11 of the Haringey Local Plan 2013, Policy D6 of the London Plan 2021.
