Dear Sirs,

Planning Portal Reference: PP-12854311

Matter: Second Floor Flat D, 25 Crescent Road, London N8 8AL - Replacement Window

Our application seeks permission to replace a currently malfunctioning white wooden door, which no longer fully closes due to warping of the wood and broken handle/lock mechanism, with a new PVC-U double glazed tilt and turn window in 'golden oak' wood colouring.

The aim is to rectify the current door's functional issues while simultaneously improving the flat's energy efficiency and visual appeal. The renovation intends to provide a sustainable, secure, and aesthetically pleasing solution that aligns with the architectural integrity of the building and meets local council standards.

We are committed to sourcing high-quality materials from FENSA registered supplier Anglian Home Improvements, ensuring the renovation adheres to the highest standards of quality and architectural harmony.

Should you have any questions, please do not hesitate to contact us. We thank you for your time and consideration on our planning application.

Yours faithfully,

Henry Graham Story and Marie France Helene Usher
