

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2024/0368
Application type	Conservation Area Notification
Site Address:	1 Granville Road, Hornsey, London, N4 4EJ
Proposal	(T1) Mulberry - Proposing to reduce crown back to previous pruning points (2-3m). This tree has a very heavy lean of over 45 degrees, proposing to reduce the crown to maintain trees size and weight, to prevent future failure.

RECOMMENDATION:	No Objection	
Application date	14/02/2024	
Tree Inspector	DM	Date: 25 th March 2024

Site

The Mulberry T1 tree, as seen in the photograph and marked on the sketch plan, is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Stroud Green Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

(T1) Mulberry - Proposing to reduce crown back to previous pruning points (2-3m). This tree has a very heavy lean of over 45 degrees, proposing to reduce the crown to maintain trees size and weight, to prevent future failure.

Issues

I hold no objections to the repeat reasonable proposed pruning works. The tree has an acute lean. Reducing the weight within the crown will benefit the management of the tree.

Recommendation

No Objection
