### **Site**

The various trees, as listed above and marked on the plan, are situated in the rear garden of the property. They are not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Alexandra Park Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

### **Proposal**

Tree works proposed.

Eucalyptus (T1) - Reduce crown back to previous cuts (3m off) .

Cypress hedge (T2) - Reduce height by 1m.

Pittosporum (T3) - Reduce height by 1.5m.

### **Issues**

I hold no objection to the reasonable pruning works.

The specification is within good arboricultural standard practice, and husbandry.

### **Recommendation**

**No Objection**
