Notes

1. Do not scale this drawing.

2. All dimensions must be checked on site and any discrepancies verified with the architect.

3. Unless shown otherwise, all dimensions are to structural surfaces.

4. Drawing to be read with all other issued information. Any discrepancies to be brought to the attention of the architect.

5. This drawing is the copyright of Levitt Bernstein and may not be copied, altered or reproduced in any form, or passed to a third party without license or written consent.

6. This document is prepared for the sole use of Formation D&B and no liability to any other persons is accepted by Levitt Bernstein. Levitt Bernstein accepts no liability for use of this drawing by parties other than the party for whom it was prepared or for purposes other than those for which it was prepared.

This is not a construction drawing, it is unsuitable for the purpose of construction and must on no account be used as such.

- All dimensions shown are structural opening dimensions to brick dimensions.
- All windows to be triple-glazed to achieve a U-value of not greater than 0.8W/m²K.
- To be read in conjunction with the Window Schedule, Access and Security Strategy, and Fire Strategy.
- Window package to be coordinated with window manufacturer and window installation subcontractor to ensure compatibility with exterior fixtures (brise soleil, folding shutters, guardings, etc.)
