Site

The medium size cherry tree is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Noel Park Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

T155 - Refer to the drawing and table in report. C1 condition damage to existing tree. Prunus avium (Wild Cherry)

Specification - Trim back branches to house facing side back to trunk to enable new modular pod to be craned into position.

Issues

I hold no objection to the minor facilitating proposed pruning works that is required for construction to the rear.

Recommendation

No Objection
