Proposal

Tree works proposed.

Works to tree protected by a TPO.

T1 - Oak tree in garden of number 28 Tetherdown-(22m) Crown reduction back to most recent pruning points (approximately two and a half metres crown reduction). The tree is heavily shading 4 gardens and the proposed work is part of ongoing tree management.

Issues

I hold no objections to the reasonable repeat proposed pruning works.

The specification is within good arboricultural standard practice and husbandry.

Oaks generally respond well from such reductions.

The Oak will be brought into scale with its surroundings.

Recommendation

No Objection
