Subject: Re: HGY/2024/0970 - 175 Stapleton Hall Road, Hornsey, London, N4 4QS

Dear Gareth,

Hope you're well.

Yes, the material will be timber finished in white similar to existing windows.

Kind Regards,

Detailed Planning Team

Dear Mr Cieslak,

Thank you for your recent application which I am currently validating. Could you please clarify on the drawings the materials being used for the new windows and doors? 'Traditional sash windows' implied timber, but can you please clarify this.

Kind regards,
