

Planning application Ref: HGY/2021/2612

To whom it may concern,

I would like to confirm the appointment of Structures Made Easy Ltd to supervise the construction works throughout their duration.

All inspections will be completed by a chartered engineer BSc(Eng)Hons CEng MIStructE membership no: 0202 543 49

Please take this as notice of their appointment in accordance with the discharge of condition 7 on the planning application HGY/2021/2612

Discharge of condition 7:

7. No development shall commence until a Chartered Civil Engineer (MICE) or Chartered Structural Engineer (MI Struct.E) has been appointed to supervise the construction works throughout their duration and their appointment confirmed in writing to the Local Planning Authority. In the event that the appointed engineer ceases to perform that role for whatever reason before the construction works are completed those works will cease until a replacement chartered engineer of the afore-described qualification has been appointed to supervise their completion and their appointment confirmed in writing to the Local Planning Authority. At no time shall any construction work take place unless an engineer is at that time currently appointed and their appointment has been notified to this Authority in accordance with this condition.

Reason: The details are considered to be material to the acceptability of the proposal, and for safeguarding the amenity of neighbouring residential properties and to comply with the policy DM18 of the Development Management DPD 2017

Kind regards
