Site

The various trees, as listed above, marked on the plan and seen in the photographs are situated in the communal grounds of the property. They are publicly visible at the front.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Woodside Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Issues

I hold no objections to the majority of repeat reasonable pruning works.

The specification is within standard arboricultural practice and good husbandry.

Recommendation

No Objection
