Dear Sirs,

Re HGY/2024/0701 Location :- Frederick Morfill House

I am writing this letter of the recently submitted Planning Application for the development of 2-storey house building.

- 1) Removal of ASBESTOS WALL. How will the Removal wall work can this be carried out without asbestos fibres being disturbed? as walls are firmly linked in the attached Can you please give us more information the removal of the walls?
- 2) Parking restriction : as the area has limited parking availability can council ensure the resident fireman flats use the enclosed space opposite, whilst improving the landscape.
