

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2024/0975
Application type	Conservation Area Notification
Site Address:	19 Northwood Road, Hornsey, London, N6 5TL
Proposal	Sycamore (T1): Fell Tree was pruned as per previous section 211 notice. Upon removing creeper, a very large decay column has been subsequently been discovered in the main stem extending up past the first bifurcation with a high probability of failure (see photos).

RECOMMENDATION:	No Objection	
Application date	08/04/2024	
Tree Inspector	DM	Date: 8 th May 2024

Site

The bifurcated mature Sycamore tree *Acer* spp. tree is situated in the rear garden of the property. It is publicly visible from Holmesdale Road N6.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

Sycamore (T1): Fell

Tree was pruned as per previous section 211 notice. Upon removing creeper, a very large decay column has been subsequently been discovered in the main stem extending up past the first bifurcation with a high probability of failure (see photos).

Issues

I hold no objections to the proposed removal of the multi stemmed Sycamore that is in a poor condition.

There is extensive decay within the main trunk and secondary trunk.

The resident is re planting with a 10-12cm girth Rowan tree.

Recommendation

No Objection

Informative: There is a duty under Section 213 of the Town and Country Planning Act 1990 (as amended) to plant replacement trees for the removal of trees, and also dead, dying or dangerous.
