Application type	Conservation Area Notification
Site Address:	57 Southwood Lane, Hornsey, London, N6 5DX
Proposal	The tree is an Olive tree and a reduction by two thirds is required as it has completely outgrown the space.

RECOMMENDATION:	No Objection	
Application date	11/04/2024	
Tree Inspector	DM	Date: 16 th May 2024

Site

The Olive tree, as marked on the plan, and seen in the photograph, is situated in the front garden of the property. It is publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

The tree is an Olive tree and a reduction by two thirds is required as it has completely outgrown the space.

Issues

I hold no objections to the proposed reasonable reduction works.

The description in the specification does sound drastic (two thirds) however, the marked photograph below confirms and clearly shows the exact extent of the pruning works which is acceptable.

Recommendation

No Objection
