

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road, N22 7TY

Application number	HGY/2024/0680
Application type	Tree Preservation Order application
Site Address:	2-4 Broadlands Road Hornsey London N6 4AN
Proposal	Works to trees protected by a TPO Remove two low branches of Sycamore (T2) growing into pine to prevent rubbing and crossing branches. Reduce two lowest branches of Plane tree (T3) outlying crown growing to the west to maintain shape and allow more light into car park area. (towards carpark entrance). Reduce height of Oak (T4) by 50% and reduce sides accordingly to allow more light into the gardens. (Please note that the works to Pine tree (T1) will be considered via application HGY/2024/0684, as the tree is located within a Conservation Area but not protected by a TPO).

RECOMMENDATION:	No Objection	
Application date	12/03/2024	
Tree Inspector	DM	Date: 6 th June 2024

Site

The various trees as listed above, seen in the photographs, and marked on the plan, are situated in the front garden of the property. The Holm Oak T4 is to the rear of the property. They are publicly visible at the front.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The trees are protected by a Tree Preservation Order (TPO)

Proposal

Tree works proposed.

Works to trees protected by a TPO

Remove two low branches of Sycamore (T2) growing into pine to prevent rubbing and crossing branches.

Reduce two lowest branches of Plane tree (T3) outlying crown growing to the west to maintain shape and allow more light into car park area. (towards carpark entrance).

Reduce height of Oak (T4) by 50% and reduce sides accordingly to allow more light into the gardens.

(Please note that the works to Pine tree (T1) will be considered via application HGY/2024/0684, as the tree is located within a Conservation Area but not protected by a TPO)

Issues

I hold no objections to the reasonable proposed pruning works.

The agent has since confirmed that T4 is not an Oak but a Holm Oak (see photograph below). This Holm Oak has more a shrub form and the proposed reduction will have no detrimental effect.

The remaining specification is within standard good arboricultural practice and husbandry.

Recommendation

No Objection
